INDIAN OPINION

A PAPER FOR ENGLISHMEN ABROAD.

'PUBLIC OPINION was very much prized by Thomas Carlyle, and was one of the last journals he read,' said Dr. W. R. Nicoll, in the *British Weekly*, May 2, 1907.

Public Opinion

Twopence Weekly

EDITED BY PERCY L. PARKER.

The purpose of PUBLIC OPINION is to provide a weekly review of current thought and activity as they are expressed in the world's newspapers, magazines, and books, and to put on record the ideas and activities which make for Religious, Intellectual, Political, and Social Progress.

It seeks to provide the busy man with a lucid summary of what is happening in the different fields of human activity, and to focus within readable compass something of that teeming interest which comes from being in touch with many phases of life.

This object has been achieved with considerable success ever since PUBLIC OPINION was started in 1860. In the 47 years since then it has, consistently carried out its policy.

The need for a paper like PUBLIC OPINION increases with the years, for life becomes more complex and the busy man, though anxious to keep in touch with new developments of thought and activity, has not the time to read the many papers which would give him the needed facts. PUBLIC OPINION seeks to do this for him, and to present just that *Précis* of life and thought which will enable him to quickly understand what is going on in the world.

PUBLIC OPINION (published every Friday, Price Twopence, 32 pages) can be obtained from any Newsagent or Bookstall or will be sent post free for one year to any place abroad for 13s. per annum. Orders should be addressed to:

"PUBLIC OPINION," 30 and 31 Temple House,
Tallis Street, London, E.C.

"I know of two Prime Ministers who have read regularly PUBLIC OPINION said the *Daily News*, May 15, 1907.

"We know of at least one who has misread it" added *Punch*, May 29, 1907.
